May 18th, 1926

Mr. J. Suffness
80 Somerset Street
Plainfield, N.J.

Dear Sir:

Replying to your favour of May 14th, with the list of coins which you so kindly offer to our Society, I beg to say that we should be very happy to accept them and place them in our Museum under your name. We very much appreciate your thought for our Collection, and should be glad to have you call upon us when convenient to you.

Very truly yours,

Curator
